## **2020 Homeless Veteran Service Project**

It is with great pleasure to announce that our 2020 service project will be for the homeless veterans that have selflessly given their time protecting our way of life and our freedom that we enjoy every day at our 2020 Annual Conference & Expo. There will be a booth dedicated to the service project to put together back packets for homeless veterans. There is a great need for items. Some of our members have already donated items and/or their time for this service project. Show your support by helping put together the bags and write messages to be included in the bags.

Our goal is to collect enough items to put together 100 kits. The items we are collecting are Band-Aid kits, hand sanitizer, small bottles of shampoo, cream rinse, hand lotion, bars of soap, shaving cream, razor blades, mouth wash, combs, socks, snacks, and possibly a small blanket with stocking hat & gloves.

Items already donated; 100 back packets, tooth brushes, tooth paste, dental floss, t-shirts, underwear, socks, a few gloves, a few stocking hats, and some snacks.

If you have questions, what networking opportunities you would like or would like to donate items and/or volunteer to help with 2020 service project, contact me at [ced-cai-michigan.org](http://ced-cai-michigan.org) or 517-260-7062.
